

The background of the advertisement is a close-up photograph of a grill with glowing orange and red flames. Two brushes are positioned on the grill. The brush on the left has a light-colored wooden handle with a teal-colored grip section and a rectangular wooden head with a dense grid of metal bristles. The brush on the right has a plain light-colored wooden handle and a similar rectangular wooden head with metal bristles. The brand name 'FELTON' is visible on the side of the brush head on the right.

FELTON
BY FELTON BRUSHES

**HIGH PERFORMANCE BROILER,
GRILL, AND OVEN BRUSHES**

Made in Canada, exclusively with American drawn wire.

A quality grill brush is a necessity for anyone cooking on gas grills, charcoal smokers, or wood. Keeping the grill grate clean in order to prevent cross-contamination is an important component to producing great tasting food.

We know that you have seen many so called brushes described as "professional" but none of them can compare to our Chef Felton collection of commercial brushes. All our brushes are made in Canada, exclusively with American drawn wire.

You have our unconditional guarantee that all our products are free of manufacturing defects. If for any reason you are not completely satisfied with a Chef Felton product, please let us know and we will make good to you.

At Chef Felton we care.

ULTIMATE DOUBLE-SIDED BROILER AND GRILL BRUSH | CHEF100 SERIES

NUMBER 1 STEAKHOUSE FAVORITE

48" DOUBLE-SIDED GRILL BRUSH WITH FLAT AND ROUND STEEL WIRES

Equipped with a double-sided brush head that is perfectly angled to facilitate faster and more efficient cleaning of the broiler or grill with an ergonomic design to decrease operator fatigue.

The hardwood blocks are filled with two kinds of wires to make this brush extremely versatile. The super aggressive flat steel wire 5 x 10 rows is designed to provide a chisel-action to remove burnt-on carbon. The round steel 6 x 19 rows on the opposite side is used to remove remaining dust and debris.

The 48" super strong and easy-to-grip handle is made of 1" x 1 1/2" sanded-smooth hardwood. Also available with a 30" handle for tighter spaces

HEAVY-DUTY BROILER BRUSH WITH VERTICAL SCRAPER | CHEF 300 SERIES

30" Large broiler brush with a heavy-duty scraper attached.

This heavy-duty brush comes with flat carbon steel wire bristles. The orientation of the flat wires provide a less abrasive action.

Often used on grooved griddles and broilers

CURVED HANDLE BROILER BRUSH | CHEF400 SERIES

This brush is very popular amongst grill users and cleaners. It comes in medium round and coarse flat wires.

This is the ideal tool for cleaning broiler grills and grooved grill surfaces. The heavy-duty bristles reach deep into hard to reach places while the extra long 24" handle prevents the need to lean over hot surfaces

30" CLASSIC DOUBLE-SIDED BROILER BRUSH | CHEF500 SERIES

Wire bristles and stainless steel metal scrapers make removal of heavy carbon deposits, rust, and burnt-on food build-up quick and easy while keeping residual burnt material from getting into fresh foods.

Chef Felton's Double-Sided Broiler Brush features a specialty treated wood head with two-sided stainless steel bristles and a metal scraper for long life and vigorous cleaning without breakage

The 30" handle ensures that the person cleaning can keep their arms and hands out of high temperature ovens.

Two different fill densities allow for flexibility in cleaning applications.
